

# Principles underpinning the Curriculum in schools that are part of the St Edmundsbury and Ipswich Diocesan Multi-Academy Trust

As part of the family of Church of England Schools, within our Diocesan MAT, it is important that the curriculum itself is theologically rooted and reflects the Church of England vision which embraces the spiritual, physical, intellectual, emotional, moral and social development of children and young people. We offer a vision of human flourishing for all, one that embraces excellence and academic rigour, but sets them in a wider framework. This is worked out theologically and educationally through four basic elements which permeate our vision for education: Wisdom, Hope, Community and Dignity. (Church of England Vision for Education Deeply Christian, Serving the Common Good. Autumn 2016)

The curriculum is planned to ensure that every pupil is educated for 'life in all its fullness.' (John 10:10.) The MAT Passport sets out the experiences, planned into the curriculum, that all pupils will have taken part in by the time they leave a MAT school. Each school develops aspects of SMSC through their curriculum. As a MAT, we have been considering how our curriculum principles help develop the spirituality and spiritual journeys of pupils. This can be seen as a journey from experience (windows) through reflection (mirrors) to growth, transformation and action (doors.)

The principles that underpin our curriculum are as follows:

| <b>Wisdom, Knowledge and Skills</b> | Discipline, confidence and delight in seeking wisdom and knowledge, and developing talents in all areas of life. | <p><b><u>God wants us to learn. The Bible says God is infinite, the universe is vast and that life is an amazing mystery. We should never give up learning and use learning in good ways to make a difference to ourselves, others and the world.</u></b></p> <p>Wisdom is one of the great themes of the bible extending to all areas of life. It is more than the acquisition of new skills. God gives us hope; he has big plans for all of us. If we fail or go wrong, we can try again. If things hurt or fall apart, it is not the end.</u></b></p> <p>True hope is much more than a general idea that things will get better. The writer of the Psalms says to God: 'My hope is in you'. This is more than wishful thinking. It is instead rooted in the love and faithfulness of God. | <p><b>Community and Living Well Together</b></p> | <p>A core focus on relationships, participation in communities and the qualities of character that enable people to flourish together.</p> | <p><b><u>God made humans to be friends and families who work together and learn to love and care for each other. God is good and being part of his family is good. In his family we support each other with love.</u></b></p> <p>In a Christian community all are needed, included and valued. Each person is important to the whole. The same message is found in Paul's image of the Christian community as the body of Christ. Each member of the body shares the joys and sufferings of the others and each depends upon every else. Central to this are relationships. Jesus taught to love your neighbour as yourself. Through this we learn who we are and our responsibility for others.</p> <p><i>Let us consider how we may spur one another on toward love and good deeds.</i></p> <p>Hebrews 10: 24</p> | <ul style="list-style-type: none"> <li>• empathy</li> <li>• generosity</li> <li>• love</li> <li>• care for others</li> <li>• responsibility for our world</li> </ul> | <p>PSHE curriculum<br/>RE curriculum and British Values<br/>SMSC curriculum<br/>Collective worship<br/>Involvement in Global Neighbours/ courageous advocacy<br/>Pupil involvement in roles in school such as school council, playleaders, house captains, head boy and girl<br/>Pupil voice<br/>Whole school celebrations<br/>Involvement in Children's University<br/>Participation in local community events such as...<br/>School fundraising and charity support for...<br/>Use of Picture News<br/>Use of Big Ideas<br/>Visits to other places of worship<br/>Regular visits to local church<br/>Reading Dogs/Pets as Therapy<br/>Approaches to pastoral support such as THRIVE, ELSA<br/>School house points/ rewards systems to support school values<br/>Work with local groups such as care home residents<br/>Liaison and transition work with pre-schools and high schools</p> |

|  | <p>treating each person as a unique individual of inherent worth.</p> | <p>Christians believe we are each created in the image of God and loved by God. We therefore have infinite worth and dignity. This is further shaped by the person, teaching and example of Jesus who demonstrated the ultimate worth of each person through his teaching, healing, feeding, sharing hospitality, befriending, and forgiving.</p> <p><i>God made man in his own image.</i><br/>Genesis 1: 27</p> | <ul style="list-style-type: none"> <li>• self esteem</li> <li>• stillness</li> <li>• care of self</li> <li>• taking a stand</li> </ul> | <p>RSE curriculum<br/> Culture of celebration<br/> Vision including values<br/> Cross phase work such as school council, faith council<br/> Pupil voice<br/> Environmental /ECO schools<br/> Behaviour Policy<br/> School rules and rewards<br/> Use of restorative justice, THRIVE, ELSA, use of social stories<br/> YMCA counselling support<br/> Online safety<br/> Children’s University<br/> Curriculum ambitious for all<br/> EYFS characteristics of effective learning including respect and building relationships<br/> Representation of school community and preparing pupils for life in modern Britain<br/> Focus in curriculum eg history to include diverse figures from history, PE include Paralympics, Music appreciation of range of genres of music such as opera, jazz, reggae etc<br/> Diverse reading texts<br/> Community links and speakers which show aspiration<br/> MAT work on cultural capital<br/> MAT Passport<br/> Collective worship<br/> RE curriculum<br/> Equality and SEN/D policies<br/> Inclusion and adaptation</p> |
