Forest School and Wild Garden

Wild Garden

- Our Wild Garden is a fantastic space full of wildlife areas, growing spaces, a wonderful pond teeming with life which we love to explore. We love growing our own vegetables here which we can do with our Greenfingers afterschool club.

Forest School

- We have a Base Camp set up with all we need for our weekly Forest School adventures and we have our lovely wildlife area and access to the beautiful community woodland, Rowley Wood.

We hope you love our school as much as we do.
